Dear Mr. Wallick:

Re: Removal of Haverhill Cable & Manufacturing Corp. in Haverhill, MA from QPL-17, MIL-DTL-17, FSC 6145, VQP-15-028708, Control Number 044530

Winchester Electronics Corporation has purchased Haverhill Cable & Manufacturing Corp. in Haverhill, MA. Furthermore, the Haverhill facility in MA has ceased manufacturing MIL-DTL-17 cable. In addition, the remaining MIL-DTL-17 cable that was manufactured at the Haverhill facility has no documentation that verifies materials and processing traceability per MIL-DTL-17 specification requirements. Since the traceability on this Haverhill cable was lost, this cable cannot be sold as QPL-17 product. Therefore, Haverhill Cable & Manufacturing Corp. and all associated MIL-DTL-17 product will be removed from QPL-17.
